

2012 Cactus League All-Star Ballot Reporting

Information

The Cactus League will be hosting an All-Star weekend (Saturday June 23rd) for the 2012 season. There will be 3 games consisting of one at each age level (10U, 12U & 14U). Teams will be established based on the standings as of June 9th, 2012. Even number seeds versus the odd number seeds with the top seeded team's coach taking the lead role for their respective team. The second and third seeded teams will supply assistant coaches. If the corresponding coach(es) cannot attend or choose(s) not to attend, then the subsequent seeded coaches will receive the opportunity.

Rules

All Cactus league rules for the corresponding age level apply to games with the exception that a pitcher may only pitch 1 inning (10U & 12U) and 3 innings (14U).

Directions

Each coach will distribute a Cactus League All-Star ballot to each of their players during the fourth week of the season (June 4th thru June 8th). Each player selects two players from their team that they feel should represent their team in the All-Star game. Players cannot vote for themselves thus the reason they must write their name on their ballot. Each head coach is then responsible for tallying the votes and filling out this form and returning to their community board member by June 9th, 2012.
