On behalf of Surrey City Council, I would like to wish the Whalley Chiefs organization all the best as you compete in the 2014 Season. I am sure will you will make us proud this year, like you do every year!

I am sure that this season will be a fantastic display of the hard work and dedication the Chiefs invest into their sport. It is my hope that this season will bring with it new opportunities for skills development, personal growth and the continued development of team spirit.

The Whalley Chiefs have proven themselves as great representatives of the City of Surrey and the entire Fraser Valley. I would like to thank the parents, coaches, sponsors and the BC Premier Baseball League for the invaluable support and involvement in minor sports.

All the best and good luck in the upcoming months of competition. I hope that this will be your best season yet!

 **JOHN PARKER** **MANAGER & HEAD COACH**

Played all sports growing up and during my playing career won 4 Provincial Championships and a National title in soccer, as well as 1 in baseball. Coached High School basketball for 10 years and turned to baseball in 1986 when I moved to Cloverdale. Spent 17 years in Cloverdale Minor Baseball Assoc. being Vice President, Equipment Manager, President and coaching. In 2002 won the Bantam AAA Western Canadians, 2002 Bronze at Nationals Bantam AAA, 2003 won the Provincials Bantam AAA, 2003 5th at Nationals Bantam AAA, 2006 and coached the Jr. Blaze in the BCJPBL in 2007 and then joined the Fraser Valley Chiefs in 2008. Managed the Whalley Senior Little League Team to a Canadian Championship and 3rd place finish at the Sr. League World Series in Bangor, Maine. The "Silver Fox" is also a proud grandpa. In his 7th year with the Chiefs.

 **GORD KERR** **CONDITIONING COACH**

Gord's first sport was baseball, which he started when he was five years old. He went on to play with the Surrey Sabres and was scouted by the San Diego Padres and Houston Astros. During his last year in baseball, Gord made the roster of the BC baseball team. Gord excelled at other sports as well throughout his high school and post secondary years.

While studying for a degree, Gord was very involved in sports. He earned his NCCP certification in a number of sports including baseball.

After graduating with a degree in Human Kinetics from UBC, Gord married and bought a house. He was hired by his summer employer, which led Gord into the field of Engineering.

In the mid 1990s, Gord started a company with a fellow grad student, and working with the coach of the Vancouver Voodoo Roller Hockey team, they developed a training program. This training program was later used by Coach Dave Cairns for the Canadian Junior Hockey team.

Gord has been coaching sports in the community and schools for 22 years. He has coached both of his children in softball and baseball and he also coaches soccer during baseball's off season. Now in his 4<sup>th</sup> season with the Chiefs.

Currently, Gord works for the City of Surrey Engineering department. He has written and implemented "Safe Lifting and Back Care" program for City employees. He is also a consultant with Quantum Sports Development in Los Angeles. He lives in Surrey with his wife Jennifer, and children Erin and Aidan.

 **RYAN PILGRIM** **CATCHERS COACH**

Randy lives with his wife, Michelle and children, Caitlyn and Sydney.

## **PAUL HARGREAVES GENERAL MANAGER**

Paul began his General Managers job with the Chiefs back in 1999. Now in his 16<sup>th</sup> season his objectives remain the same. First off, help develop & support High School aged players on to the next attainable level of baseball. Help them compete both on the playing field and in the classroom. Secondly, give the parents a strong knowledgeable coaching staff, make a competitive game and tournament schedule and keep playing costs to a minimum.

Retired after 33 years with General Motors Corp. Detroit. Graduate of Bowling Green State University in 1976 where he played hockey. Some BG alumni include Mike Liut, Ken Morrow, George McPhee and Canucks Kevin Bieksa. Lives in Surrey with his wife Betty and spends winters at their place in Phoenix. There you can find him at Turf Paradise Race Track or Surprise Recreational Campus.

Special thanks to my friend Greg Greaves for his countless hours donating his time at Whalley Ball Park keeping it the best facility in the PBL.

## **MIKE ADDY ASSISTANT COACH**

Mike Addy returns to the Whalley Chiefs after spending a season in North Delta as the head coach of the Junior Blue Jays; prior to that he spent four seasons as an assistant coach with the Chiefs at both the Junior and Senior levels. He decided that coaching would be a great way to give back what he was given for so many years. Mike brings many years of playing and coaching experience to the team, and looks forward to being back on his home field at Whalley. The highlight of Mike's coaching career so far is his trip to the Senior League World Series in 2008.

MAJOR LEAGUE BASEBALL SCOUTING BUREAU

---

Dear Chiefs , Fans and Supporters,

On behalf of Major League Baseball it gives me pleasure to be able to contribute to your Media Guide.

The BC Premier League comprises the top caliber high school aged players in the province.It's the home for all of the players on the BC Select Team and is a model of success for all of the country to follow.

The Whalley Chiefs have consistently produced players capable of playing at the next level of competition, whether it be professional or college.This happens as a result of quality instruction and a commitment to hard work.Since 1991 when Canada became part of the MLB draft, the Chiefs have had 18 players drafted by professional baseball clubs.Kevin Nicholson , Aaron Myette and Adam Loewen were all 1<sup>st</sup> rounders or supplemental picks in the 1<sup>st</sup> round.No other team in Canada can say that.

Congratulations to the entire Whalley Baseball organization from the Little League to Paul Hargreaves and the PBL Chiefs for continuing the tradition of excellence.

Keep up the great work and good luck this season.We'll see you at the park.

Best regards,

Walt Burrows

Canadian Supervisor

## MESSAGE FROM THE PRESIDENT OF BASEBALL CANADA

On behalf of Baseball Canada I am pleased to congratulate the Whalley Chiefs as they embark on the 2014 season.

The Chiefs have been in the Lower Mainland since 1965 and specifically in Whalley for all but 4 of the last 25 years. The Chiefs were under the coaching of brothers Dennis and Ted Springenatic for years. More recently John Parker and Paul Hargeaves have been guiding influence.

The Chiefs have long history for presenting competitive teams and developing outstanding talent. First round Major League Baseball draft picks Kevin Nicholson, Aaron Myette and Adam Loewen are all products of the Chiefs organization. Baseball Canada has been fortunate to have had seven players from the Chiefs organization on the Junior National Team since 2000.

I am confident that with the return of the coaches and many players, the Chiefs will enjoy another successful season.

Best wishes and good luck to the team and their many supporters.

Sincerely,

Ray Carter  
President
