

CASTLE ROCK BASEBALL

June 13, 2014

To Whom It May Concern:

This is my official letter of resignation as the head baseball coach at Castle Rock High School. I do not agree with the philosophy of the athletic director and vice-principal. Life is too short to be in a situation that is not enjoyable so I've decided to leave CRHS and pursue other coaching opportunities.

I would like to thank Castle Rock School District superintendent Susie Barker for hiring me. It was a dream come true to coach at the school where I played. Wearing red and white for the last four years was truly a blessing but it's time for me to move on.

Joe Bair
