

# **Clear Lake High School Falcons**

**The Falcons are coming –  
Hear them scream!  
Red, White, and Blue streaks  
Over fields of green.**

**Their fans are all cheering,  
Their rivals will quake;  
The Falcons are coming -  
Feel the ground shake!**

**Flashes of sunlight –  
Dances of grace –  
Speed and agility –  
Pick up the pace!**

**Faster and faster  
The Falcons will fly,  
Until finally victorious  
They sound the war cry.**

**Good luck to the Falcons,  
Clear Lake's fine young men;  
May they play on with honor  
And pride to the end.**
