

2019 Delta Tigers Bantam AAA

Winter Training & Tryouts

This year we have combined our Winter Training and tryout process to ensure all players get a fair look prior to the team being selected in December. These Winter Training sessions are open to any Bantam or Peewee player but priority will be given to those that are trying out for Bantam AAA in 2018. With the new BC Minor Bantam AAA catchment areas, the Delta Tigers catchment now covers Delta, Richmond & New Westminster. Players from outside this area are welcome to attend tryouts as long as there is not a BC Minor Bantam AAA team in their home association. We understand that players have other commitments this time of year so we do not expect athletes to be at every session but we do expect players to attend as many sessions as possible. Please realize, however, that Bantam AAA baseball is a huge commitment. Last year we played over 70 games and had over 40 practices throughout the season and we do expect full commitment from the beginning of the regular season in April until Provincials at the beginning of August.
