

## **HELP FOR HAITI**

The St. Adolphe Community Club is issuing a challenge to all its teams to donate relief kits for the people of Haiti (ie one per family if possible). Attached is a document outlining some of the kits and content lists. Copies are also available at the Canteen.

**Let's see which team can collect the most!**

Either designate someone from your team to organize, or drop off your kit at the Arena Canteen (with your **team name**). Kits will then be taken to the Mennonite Central Committee in Winnipeg who will distribute them to Haiti. Please indicate what type of kit you have made up (on the box/bag)

**Your urgent response is requested.**

Check out the Club's website later to see how many kits we collect.

**No one loses at this challenge!**

**p.s: to any outside teams who skate out of our arena, you are welcome to drop off a kit 😊**
