Camp Philosophy:

To establish a fun, positive, encouraging, and competitive atmosphere where your child will improve his or her basketball skills and participate in a competitive form of play.

Summer is a great time to improve your skills, further your basketball knowledge and compete in team play. Together, we build character, promote sportsmanship, positive attitudes, and focus on high quality fundamental basketball.

“Our staff takes a personal interest in each camper to help them improve their game, reach their goals, and enjoy their time with us. Each camper will leave with the knowledge it takes to continuously improve their game.”

What People Say About Our Camp:

“Your staff is obviously incredibly adequate, and it was the best camp we have done for a sport. Jake had a wonderful time and was exhausted each day. He loved having the freedom to visit the snack bar & buy lunch each day, which I know is a big undertaking for you all. Everyone was super friendly & seemed thrilled to be there.” -Sandy Hill

“Thank you so much for the great camp experience that you provided this summer. I love the positive way your team interacts with the kids, & I LOVE that you talked to the kids about being “energy givers”. In a world of yelling, negative coaching, it is refreshing to see the amazing results that a positive coaching style & atmosphere can achieve. Aiden will be back next year.” -Tami Gilbert
