

Please Support Your Local Youth Baseball League

The Lannon Stonemen Baseball organization is selling sponsorship banners to be put on the fences of their Lannon baseball fields – Schneider Field, Joecks Field, and Dawson Field – home to ten youth teams from ages 9 to 14.

A banner is a great way to advertise your business, and also provide support to your local youth baseball organization. The banners will be up from May until August (depending on weather and games) and then stored for the following year.

To get started, please complete the order form below. Once the form and payment is received, you will be contacted to design and customize your banner.

I/we would like to support the Lannon Stonemen by sponsoring the following:
