

PARENTS/PLAYERS: Welcome to the Paris Volleyball Club 4V4 Spring League!!

Below is a list of Rules we will use during the Games of the Spring Session.

Parents, Family, and Friends are welcome to come watch any of the games. Please be sure to supervise little kids so they do not interrupt game play. These are timed games and we don't want to have to chase kids off the court or surrounding areas.

We hope everyone enjoys the new format for the Spring!
Let me know if you have any
questions or comments.
